Dear John:

Thank you for your generous donation of the YEAR, MAKE, MODEL OF VEHICLE to Volunteers of America of Kentucky, Inc.

I am pleased to advise that your vehicle sold to help raise much-needed revenue for our programs and services that rebuild lives and restore hope for the most vulnerable and frail members of our community.

As I write this letter, your gift is already at work helping meet a wide range of needs. It is providing housing and services for individuals with physical disabilities; assisting homeless veterans turn their lives around; giving individuals with nowhere else to turn an opportunity to become self-sufficient once more. And so much more....

With the number of Americans who fall below the poverty level increasing for the fifth year in a row, it is clear that the need for our vital services is growing. For this reason, I am asking you to continue your commitment to help.

Thank you for your care and compassion for our neighbors who have nowhere else to turn.

Regards,

Robyn Przybylek  
Program Manager
