Liberty Place **WITHOUT** stigma.**

## AT LIBERTY PLACE, FIND A FUTURE WITHOUT SUBSTANCE USE.

Our outcome-driven program is unique and comprehensive.

- 87% of clients see increased contact with family after receiving services at Liberty Place.
- 93% of clients engage in forming a comprehensive aftercare plan prior to discharge.
- 79% of eligible clients are employed and working at least 24 hours a week before being discharged.

*\*Based on data from internal quality reporting in fiscal year 2022.*

## BUILD A HOPEFUL FUTURE AT LIBERTY PLACE.

Liberty Place is Volunteers of America's residential treatment program for men who are working to overcome substance use disorder.

We provide the tools, support and professional care that puts individuals on a path to a healthy and sober future. Liberty Place residents work hard and are supported with every step on their journey to recovery.

## CREATE YOUR LIBERTY PLACE SUCCESS STORY.

Casey Wagner is a community leader, father and husband.

When he came to Volunteers of America, he saw no hope for his future. With VOA's support, Casey overcame substance use disorder and found a path to a healthy and hopeful life.

***“When I came to Volunteers of America, that was the first time I had felt hope in years.”***

**-Casey Wagner**

Today, he is a manager at GE Appliances, a VOA and community volunteer and has two beautiful daughters.

“If recovery can happen for me, with the right support, it can happen for anyone,” Casey said.
